

Fostering Public Safety

Established in 2005, The Bellevue Police Community Foundation promotes philanthropy to make Bellevue, Nebraska a better place to live now and in the future. The Foundation strengthens the community by providing grants to area nonprofits. It brings community leaders together to address local need and offers charitable giving services to their donors.

The assets of the fund are released back to the community in accordance with our grant making policies. These grants are used to support programs and activities that are focused on crime prevention and public safety.
